

OPENWEST

CONFERENCE :: SPONSORSHIP PROSPECTUS

May 8 - 10, 2014 • <http://openwest.org> • Orem, UT - UVU

Conference Overview:

The OpenWest conference is a regional conference that has continued to show strong growth in the Open Source, Open Hardware and Open Standards communities. Working with many of the local user groups and businesses, we're able to get a great cross section of the technology industry in the Mountain West area.

Our 2013 Conference vastly exceeded our expectations of 700 attendees and many purchased tickets, forgoing any shirt or other swag. Our actual number for 2013, 864 attendees, represented the building's physical limitations (wifi, actual seats). This year, we've worked with our venue to bring a new cap of 1,000 attendees, making the OpenWest conference one of the largest in this region.

A new feature we are offering our sponsors is the "Sponsorship Opportunity", that is, a select portion of your sponsorship money can be directed towards: Lanyards, Social events, Lunch!

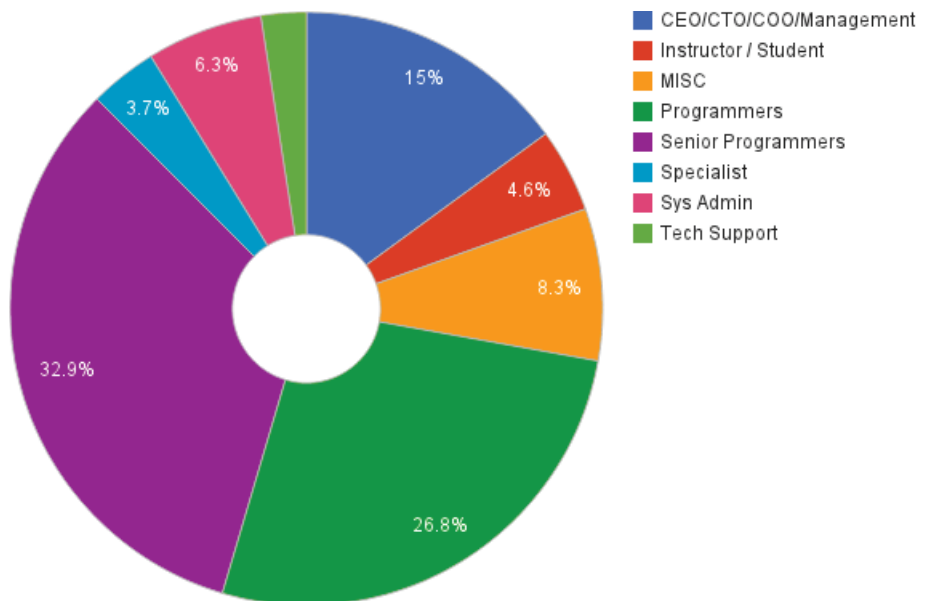

This ability to specifically target the funds gives you the ability to customize your marketing strategy and bring the best benefit to your marketing dollars.

In the example of a Silver Sponsor, \$2000 of their \$2500 sponsorship is their's to direct. Looking on the list, they note that the Lanyards Sponsorship is only \$1700. They select that they want to sponsor those and the remaining \$500 in Attendee Gifts.

Another first for us this year is the Recruiter Sponsorship level. In our registration form, we have a question asking the attendee if they'd like to be contacted by a recruiter. Out of the 864 attendees 15% responded Yes, they wanted to be talked to about career options. That's 132 leads! To obtain this list for this year, we are requiring that a recruiting firm sign up for the recruiting sponsorship and purchase the list for an additional \$500. We will NOT sell this to multiple recruiting firms and it is sold first come, first served.

I look forward to working with you and helping you to maximize this tremendous marketing opportunity.
